

Dear New Neighbours,

We would like to give you a warm welcome to Moore Park and introduce you to the **Moore Park Residents Association (MPRA)**. The MPRA mission is to identify, advocate and act on neighbourhood concerns and enhance the Moore Park community. As a new resident, the MPRA would like to offer you a **welcome gift** of a **beautiful tea towel featuring the 1890 map of Moore Park** and **free one-year membership** in the association.

If you want to join the MPRA, please email us at president@moorepark.org with the subject "New Resident" and provide your name, address, email, and phone number.

The MPRA is available to address your concerns and actively advocate on your behalf throughout the year. Along with updates on initiatives and programs from the City and the Province that impact the Moore Park neighbourhood, Members receive a quarterly e-newsletter that features updates and reports from our four committees:

- Heritage, Planning and Development
- Ravines, Parks and Trees
- Traffic, Safety, Parking and Mobility
- Community Outreach

As a Member you will have voting privileges at the Annual Meeting and the satisfaction of being part of a vibrant community association working to make our neighbourhood of Moore Park an even better place to live!

If you have any questions about the MPRA or if you would like to get further involved as a member of one of our committees, please connect with me directly.

Kind regards,

Gordon Bogden

president@moorepark.org
