Dear Fellow Moore Park Lawn Bowlers and Friends of the Club;

Spring is here and while we would normally be meeting on the green in a few weeks, we find ourselves in the middle of a “stay at home” order. Parks, Forestry and Recreation has closed the lawn bowling greens and we are all on standby waiting for further instructions from the City.

We are however, optimistic that we will soon be allowed to once again lawn bowl under similar conditions as last year. With that in mind we are asking you to renew your membership, or join for the first time! The fees are outlined in the **Registration Form on page 3 of this PDF**. Your executive committee has met (virtually) and are proposing that we all pay now for a full season. Should it happen that we are unable to play in May each member would receive a 20% refund of the fee in the form of a credit for the 2022 season. Similarly, if we are unable to play until July 1st each member would receive a 40% refund as a credit for the following season. The same per game fee as last year will be charged (\$5) when we are operational. If you are not able to bowl, but want to keep the Club in the Community, please consider a donation.

We hope you are staying safe and social distancing and that we can all gather on the green very soon. [Follow us on Facebook for club updates.](#)

Sincerely,

Your Moore Park Lawn Bowling Club Executive Committee
