# MOORE PARK LAWN BOWLING CLUB, EST. 1925

## Everyone welcome! An outdoor sport for all ages

### What is lawn bowling?

The main objective of lawn bowling is to get as many of your bowls as close as possible to the jack (the small white ball). The game is similar in many ways to curling, but nicer because you are enjoying the fresh outdoors!

### Why is lawn bowling so appealing?

- Is a fun and strategic sport that is easy to learn
- Is a very social sport and a sport for life
- It's for everyone, regardless of age, gender, cultural background or ability
- does not require physical strength
- does not require special equipment or clothing
- it's cheap
- and has many health benefits.

### Health benefits:

- **mental health:** enjoy the fresh outdoors and get some exercise in, helps to reduce stress and improve your mood and promote relaxation and goal setting
- **muscle strengthening:** improves flexibility, mobility and core strength, muscle toning, and balance while being a low impact exercise
- **coordination and precision:** concentration, hand, eye and foot coordination
- **social health:** it can be enjoyed by everyone, of any age, gender or physical condition. Requires sportsmanship, communication, cooperation and teamwork.

### There is very little commitment:

Members just turn up 10-15 minutes before the scheduled game time and teams are made up from the members present. This means you can play as often as you wish without prior arrangement.

The Moore Park Lawn Bowling Club was established in 1925. We bowl from mid-May to October-November. **Anyone is welcome and can join at any time.** Try lawn bowling for **FREE**. All you need is a flat pair of shoes. Simply show up for any scheduled game which can be found on the Moore Park Residents Association website at [moore.org](http://moore.org). Click on the Moore Park Lawn Bowling tab.
